

Assessment for Entitlement for BE (car & trailer) Licence

It has been decided that a person who held a Car driving licence before 13 November 1989 and does not hold a BE licence can now be granted a BE licence. The Road Safety Authority has been asked to administer this change and in order to carry out an initial assessment of your entitlement please complete the following questionnaire

1.. Name

2.Address

Town

County

3. Date of birth

Were you born before 12/11/1972? Yes ___ No ___

4. Mobile No.

Landline

Email address

5. Driver number (if Known) (You will find this on field 5 of your licence or field 4d on a plastic card licence.)

6. When did you pass a driving test in the car category in Ireland? _____
—

When did you take out your first full driving licence in Ireland?

8. Has your driving licence expired for a period greater than 10 years since 1989? _____
(If you don't know the date please give approximate date)

The RSA will assess your entitlement to be granted a BE driving licence and will contact you with the outcome in the coming weeks. Please note that this is an initial assessment and any decision can only be made when a formal application is made following the making of this assessment.

Declaration- The information above is correct and I understand the RSA will access the National Driver Record and Driving Test Database to assess my entitlement.
